

# Shout it Out

From the Kitchen

help your child practice

**Holy Smokes! That used to be hard for you! Can I hear it again?**

**Can you tell me what your teacher wanted you to work on in that piece?**

**You play another piece that sounds very similar to that one. Can I hear it?**

**That middle section was beautiful! Can you play it again for me?**

**Can I hear that again but just with your right hand?**

**Can you choose 3 different measures and play them 4 times each for me?**

**That sounded difficult, maybe try starting part-way through and playing it slowly?**

**What do you think you need to work on in that piece?**

**Can I hear a piece you used to play a long time ago?**
